

Worksheet 2: Change of societies over time

Setting the stage

Think about in general what aspects of photos can reveal the norms, cultures and other aspects that structure societies.

Photo analysis

Look at the photos you collected. Create a poster with copies of the photos and short description of what you can tell about the time based on the photos. Look at the clothing, facial expression, accessories, sitting to standing arrangement, various objects on the photo and other details.

 Insert photo	Description:
---	--------------

 Insert photo	Description:
---	--------------

 <p>Insert photo</p>	Description:
---	--------------

Summary of findings

Write 3–4 sentences about what you learnt regarding the culture, norms and ways of life in the past and how it changed over time based on your photo analysis.
