

Worksheet 4: Personal SWOT analysis after completing the e-module

INTERNAL FACTORS	
STRENGTHS 	WEAKNESSES 
<i>Talk about what you're good at concerning ethical issues in research.</i>	<i>Talk about improvements you need to make, any resources you lack, and how your lack of knowledge concerning ethics in research might influence your research with people.</i>

EXTERNAL FACTORS	
OPPORTUNITIES 	THREATS 
<i>List opportunities, sources you can analyse, in order to carry out research ethically and effectively.</i>	<i>List all harmful threats and difficulties regarding problems of ethical project implementation. (What do you think can influence this?)</i>
